

**DISTRICT COURT, CLARK COUNTY, NEVADA
IN RE KITEC FITTING LITIGATION, Case No. A493302**

NOTICE OF KITEC PLUMBING CLASS ACTION REPAIR EXTENSION

Please read this entire Notice carefully. It discusses a class action that might involve you. Your rights may be affected by the legal proceedings described below.

TO: All owners of residences in Clark County, Nevada that contain, or at any time contained, a KITEC and/or PlumbBetter plumbing system and/or components (“the Class”) that have NOT already received a form of settlement relief related to this Class Action.

ATTENTION all Clark County homeowners, the Court presiding over the In Re KITEC Fitting Litigation (“Class Action”) recently **extended ALL KITEC plumbing claim deadlines by 3 years or until the available funds have been exhausted (“KITEC II”), whichever occurs first.** The extended deadlines apply to any known KITEC Class members that failed to act before the prior deadlines, any unidentified KITEC Class members, and those KITEC Class members who previously opted out of the Class Action. The Court set a deadline of **March 17, 2017**, for all KITEC Class members to file claims. **Limited funds remain, and any KITEC claims will be handled on a first-come, first-served basis.** ACT NOW to ensure you receive the KITEC II relief to which you may be entitled. Once the available funds have been exhausted, all claims will be rejected.

Any unidentified KITEC Class members **must submit a valid PROOF OF CLAIM** to Total Class Solutions, LLC (“TCS”) in order to obtain the available settlement relief. A valid Proof of Claim must include adequate written confirmation clearly showing KITEC and/or PlumbBetter plumbing components were installed in your home. You may need to contact a licensed plumber familiar with identification of the KITEC plumbing system to obtain written confirmation that your home contains KITEC. Please contact TCS for more information on submitting a valid Proof of Claim.

All Class members that fail to submit valid claims to TCS before the extended claim deadline of March 17, 2017, or exhaustion of the available funds, whichever occurs first, will be barred from receiving any relief from the Class Action.
