Dear Kitec class members,

The purpose of this email is to inform you of the Second Order to Show Cause hearing involving Pulte/Del Webb and its \$7,800 offer to repair made to Sun City Anthem class members. The hearing will be held before Judge Timothy Williams on Monday, June 25<sup>th</sup> at 1:30 in Department 16 of the Eighth Judicial District Court, located on the 12<sup>th</sup> Floor of the Regional Justice Center, 200 Lewis Avenue (Las Vegas).

Class Counsel has asked the Court to order Pulte/Del Webb to extend its \$7,800 offer to all Sun City Anthem residents that have Kitec plumbing systems. Class Counsel believes this is an appropriate request as Judge Williams has extended the acceptance/rejection period for Pulte's \$7,800 offer indefinitely. Furthermore, on March 15, 2007, Judge Williams invalidated the "General Release of Claim" form which Pulte required Anthem class members to execute.

All class members are allowed to attend the hearing. If you plan on attending please let us know in an e-mail as soon as possible as seating is extremely limited. If sufficient numbers of Anthem homeowners plan on attending we will request the Court hold Monday's hearing at the Complex Litigation Center on South 6<sup>th</sup> Street, which has a much greater seating capacity. It is therefore important that you let us know immediately if you plan on attending.

Should you have any questions, please feel free to contact Class Counsel.

Very truly yours,

J. Randall Jones, Esq.
