

In Re Kitec Fitting Litigation Settlement

Clark County District Court Case No.: A493302

GOOD NEWS – FULL REPLUMBS IMMEDIATELY AVAILABLE

URGENT – ACT NOW OR FORFEIT ALL SETTLEMENT RELIEF

October 29, 2012

Dear Homeowner,

The purpose of this letter is to follow up on the Settlement Notices sent to you since August 2011 indicating that you may be entitled to settlement benefits aimed at replumbing the **defective Kitec plumbing system that may be installed in your home**. You received this letter because the limited settlement relief program has **drastically improved** due to an increase in the available settlement funds. Furthermore, the **Claims Bar Date has been extended to January 29, 2013**.

The **Good News** is that the settlement program will now cover the entire cost of replumbing your home if it contains the defective Kitec plumbing system, subject to the terms of the approved scope of repair. The Per Home Credit part of the program no longer applies. This improvement benefits all settlement members, including:

- Homeowners that have not submitted a Claim Form **must submit a Claim Form before January 29, 2013** to be eligible for a replumb at no cost to you (Claim Form enclosed).
- Homeowners that submitted a Claim Form and elected to Replumb Later will be automatically converted to Replumb Now claims and will be contacted shortly by the assigned Plumbing Contractor to discuss scheduling your replumb.
- Homeowners that submitted a Claim Form but have not received the replumb will be contacted shortly by the assigned Plumbing Contractor to discuss scheduling your replumb.
- Homeowners that submitted a Claim Form and received the replumb or a partial replumb reimbursement will receive reimbursement for your qualified out-of-pocket expenses related to your replumb/replumb reimbursement before the end of the settlement program – approximately mid to late Quarter Two 2013.

URGENT: The deadline for sending in your **Claim Form** is now **January 29, 2013** (Postmark Date) – after which date **you will forfeit all of the benefits** to which you are entitled. At a minimum, you **MUST submit a Claim Form** by this deadline **to preserve your rights** to receive the Kitec settlement relief. Submitting a **Claim Form** now does not compel you to accept the replumb. If you submit a timely **Claim Form**, then you will have until April 2013 to elect whether to replumb your home.
