- This Notice is not an opinion of the Court about the merits of the claims or defenses of the parties in the lawsuit. Instead, this Notice is sent to you to inform you about legal rights you may have with respect to this Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

This Notice is given to you pursuant to an Order by the Honorable Timothy C. Williams of the Eighth Judicial District Court, Clark County, Nevada, preliminarily approving this Partial Class Settlement under Rule 23 of the Nevada Rules of Civil Procedure. You received this Notice because our records indicate that you may be a member of the Class who is impacted by this Partial Settlement. **(If you are a tenant or occupant of a home at this address, please ensure that this Notice is provided to the landlord or owner of the home.)** You have legal rights and choices to make before the Court decides whether to finally approve this Settlement. This notice package explains:

- What this lawsuit is about.
- Your legal rights.
- The benefits and consequences of this settlement for eligible recipients.

2. What is this lawsuit about?

This is a case arising from allegedly defective Kitec plumbing systems and/or components (“Kitec”) manufactured or distributed by or on behalf of Defendants Ipex Inc., and Ipex USA, LLC (collectively, “Ipex Defendants”), and installed at homes in Clark County, Nevada. Plaintiffs are homeowners in Clark County with residences that have or had Kitec plumbing system and/or components specified and/or installed by various Developers, General Contractors and/or Plumbers. Plaintiff Class Representatives have alleged that the Kitec plumbing systems or components in Clark County, Nevada, are defective because they fail or may fail when exposed to water. This Class Action seeks money damages together with attorneys' fees and costs of suit from the Defendants on behalf of all Class Members. **This Class Action does not seek any damages for personal injury.**

3. What will this Settlement provide Homeowners if approved by the Court?

If approved by the Court, this Partial Settlement will create a settlement fund in the amount of **\$6,434,593.33** to be used for the benefit of the owners of the Sharp Plumbed Homes to help pay for the replumb of homes with Kitec plumbing systems. This Partial

Settlement resolves claims related to approximately 3,615 homes plumbed by Plumber. The funds paid by or on behalf of Plumber will be combined with a share of settlement funds recovered from the pending \$90 million dollar settlement with the manufacturer of Kitec plumbing (discussed below) and any other funds recovered from other parties, for the replumb of the Sharp Plumbed Homes with a Court-approved repair. The money received under this settlement will not be allocated to the Sharp-Plumbed Homes on a pro-rata basis. Rather, the allocation, if any, is based on various considerations that have been presented to the Court for approval.

4. Are additional funds anticipated from other parties?

Class Counsel previously reached, and the Court approved, a ninety million dollar (\$90,000,000.00) settlement with the manufacturer of the Kitec plumbing system and related entities (“Iplex Settlement”). Though the Iplex Settlement was approved by the Court, several defendants in the underlying Class Action filed an appeal of the Court’s order approving the Iplex Settlement. The Iplex Settlement funds are therefore currently segregated in various protected accounts pending the resolution of the appeal. This Settlement, however, is **not contingent** upon the outcome of the Iplex Settlement appeal. Additionally, Class Counsel is continuing to pursue the builders responsible for constructing the Sharp-Plumbed Homes for additional funds to benefit the Sharp-Plumbed Homes. Of course, the success of neither the additional claims against the builders nor the Iplex Settlement appeal is guaranteed, but Class Counsel intends to pursue both vigorously on behalf of the Class. Settlements with Avante, KB, and Nigro have already been reached and preliminarily approved by the Court. If you are the owner of a KB Subclass B home, you should have already received that notice. If you are the owner of an Avante Subclass or Nigro Subclass home, you should be receiving a separate notice contemporaneously with this notice.

5. How will this Settlement be funded?

The specific funding for this Settlement is as follows: \$6,434,593.33 from Plumber and/or its insurance carriers.

6. Why is this a class action and what is a class?

In a class action lawsuit, one or more people called “Representative Plaintiffs” sue on behalf of other people who have similar claims. All of these people together are known as the “Class” or “Class Members.” One Court decides all the issues in the lawsuit for all Class Members, except for those that exclude themselves from the Class. The judge hearing this class action lawsuit is the Honorable Timothy C. Williams. The presently-named Representative Plaintiffs are Tracie L. Quinterro, Eric W. Quinterro, Stephen Inferrera, Sheila Inferrera, Anna Navarro, Susan Sheldon, Robert Dostler, Beverly Miller, Emma Norton, David Ober, Jennifer Ober, David Pursiano, Laurel Brady, Pamela T. Smith, Kari Brady, Paul Brady, Roderick Saup, Rhonda Saup, Laura Ishum, Nancy Drapeau, Yolanda Flores, Rebekah Ogle, Rick Guzman, Paul Messingschlager, Barry Sweet, Evan Levy, Mary Levy, Leslie Gunnels, John Berbirian, Doug Ellington, Melanie Littlefield, Harvey Smith, Mike House, Vincent Marino, Larry Maier, Dan Riordan, and Linda McIntyre.

7. Why have the Class and Plumber decided to settle?

The Court has not decided in favor of the Class or Plumber. Plumber vigorously denies any wrongdoing, violation of law, or breach of duty asserted by Plaintiffs in the class action. Plumber contends that its plumbing systems were properly constructed and installed in accordance with appropriate care, relevant standards, and “good practice,” that Class claims have no basis in law or fact, that Plumber has meritorious affirmative defenses to all claims, and that the class action should be dismissed. All sides, however, have agreed to a settlement in order to avoid the risks and costs associated with trial.

8. How do I know if I am part of this Settlement?

You are part of this Settlement if: **a) You are the owner of a home constructed by the following homebuilders in the developments described below:** (1) Maya, LLC dba Avante Homes in the Durango Springs I-II developments; (2) Champion Homes Nevada, Inc. in the East Ranch and Hunters Ridge developments; (3) KB Home Nevada Inc. (“KB”) that closed escrow on or before May 1, 2001, when originally sold by KB in the Balboa Park, Black Mountain Vistas, Brentwood, Brookfield, Canyon Pointe, Canyon Ridge Estates, Canyon Springs, Cheyenne Ridge, Crestwood, Eastridge, Fallbrook, Highland Hills, Morning View, Paradise Hills, Rancho Ridge, Saratoga, Sentosa, Silverado, Silverado Pointe, Silverado Ridge, Silverado Springs, South Valley Ranch, South Valley Ranch III, Springfield, Sunrise Mountain, West Hills, and Woodland Hills developments; (4) Nigro Construction, Inc. in the Desert Sage development; (5) Santa Fe Builders, Inc. in the El Paseo development; and (6) Woodside Homes Nevada, Inc. (“Woodside”) that closed escrow on or before November 24, 1999, when originally sold by Woodside in the Cimarron Village North, Crimson Ridge aka Discovery Pointe, Discovery Hills, Foothills Ranch, Foothills Ranch South, Greyhawk Estates, Greyhawk Villages, Heather Glen, Quail Ridge, Sahara Summit, Westlake Village, and Woodridge developments; **b) That home contains, or at any time contained, a Kitec or PlumbBetter plumbing system installed by Plumber; and c) You did not previously opt out of this class action.** If you own a home included in this Settlement but previously opted out of this class action, you may still take part in this Settlement by timely submitting a Request to Rejoin the Class.

9. What happens if this Settlement is approved by the Court?

If this Settlement is approved by the Court, then you will be notified of the Court’s final approval and advised of the steps that you need to take in order to participate in the benefits provided by the Settlement. The notice of the Court’s final approval will explain what steps, if any, you need to take and will include any necessary claims forms that you will be required to return to the Claims Administrator to take part in this Settlement.

10. What happens if this Settlement is not approved by the Court?

If the Settlement is not approved by the Court at the Fairness Hearing, the Settlement will terminate and all of the parties will be restored to the position they were in before the Settlement was reached.

11. What if I already replumbed my home or have already suffered damages from a Kitec fitting leak?

This is not a cash settlement. Any benefits obtained for the Class under this settlement will only go towards funding a re-plumb of your Kitec or PlumbBetter plumbing system. If anything, you will only be entitled to a **replumb, you are not entitled to a monetary payment.** If, however, you already replumbed your home or have suffered damage from a Kitec fitting failure, you **may** be entitled to monetary reimbursement, subject to approval by, and in an amount to be determined by, the Claims Administrator. In order to request reimbursement for a prior re-plumb or damages, you must submit a Claim Form and supporting documentation to the Claims Administrator, who will then review the merits of your claim and provide a response to you within 60 days of receipt of the Claim Form. **DO NOT HIRE OR CONTACT AN INDEPENDENT PLUMBER TO PERFORM A REPLUMB. PLEASE READ THIS NOTICE IN ITS ENTIRETY FOR INFORMATION REGARDING YOUR RIGHTS TO THE REPLUMB.**

YOUR RIGHTS – IF YOU PREVIOUSLY OPTED OUT OF THE CLASS ACTION

12. If I previously excluded myself as a member from the Class Action, can I still accept the benefits of this Settlement?

Yes, but you must first timely withdraw your prior “opt-out” and submit a Request to Rejoin the Settlement. A Request to Rejoin may be obtained from Class Counsel at the locations identified in Paragraph 17 below. **If you previously opted out of this class action and do not submit and postmark the Request to Rejoin on or before DECEMBER 1, 2009, you will not be eligible to receive the replumb or any other benefits provided in this Settlement.**

YOUR RIGHTS – IF YOU DO NOT WISH TO TAKE PART IN THIS SETTLEMENT

13. What if I don’t want to be part of this Settlement?

If you do not wish to receive the benefits provided by this Settlement, then you may exclude yourself from the Settlement by not returning the Claim Form that will be provided to you upon final approval of this Settlement. **If you exclude yourself, then you will not receive a replumb or benefits and you will give up your right to sue Plumber on these claims later.**

14. If I exclude myself, may I pursue a claim against Plumber independently?

No. If you exclude yourself from this Settlement, you will not be entitled to pursue an independent claim against Plumber concerning Kitec Fittings.

YOUR RIGHTS – OBJECTING TO THE SETTLEMENT

15. How do I tell the Court if I do not like the Settlement?

If you own a Sharp-Plumbed Home, then you can tell the Court that you do not like the Settlement or some part of it. This is called objecting to the Settlement. To object, you or your lawyer may send a letter to the Court or appear at the Fairness Hearing. **The Court, however, may approve the Settlement despite objections, and all members of the Class will be bound by this Partial Settlement.**

To send a letter to the Court or appear at the Fairness Hearing, you or your lawyer must provide all of the following:

- Entitle the letter: NOTICE OF OBJECTION OR APPEARANCE- **The Sharp Settlement**
- The name and title of this lawsuit: IN RE KITEC FITTING LITIGATION, A493302.
- State that the letter is in regard to the Sharp Settlement.
- Your address to confirm that you are the owner of a Sharp-Plumbed Home.
- A statement of each objection you have and a summary of the basis for these objections.
- A description of any law or case supporting your objections.
- A statement of whether you or your attorney will ask to appear at the Fairness Hearing to speak on your objections, and if so, how long you will require to present your objections.
- Copies of any documents that you or your attorney wish to present at the Fairness Hearing.
- **Your objection letter must be mailed and postmarked before DECEMBER 1, 2009, with copies sent to the following address:**

Kemp, Jones & Coulthard, LLP
 Wells Fargo Tower, 17th Floor
 3800 Howard Hughes Parkway
 Las Vegas, NV 89169
Attention: Sharp Settlement Objections

IF YOU DO NOTHING

16. What happens if I do nothing?

If you do nothing, **you will be bound by this Settlement** and will be eligible to receive the benefits of the Settlement if you are the owner of a Sharp-Plumbed Home. If this Settlement is finally approved by the Court, you will receive further instructions for requesting and receiving the benefits of this Settlement. If you do not return your Claim Form, you will **not** receive a replumb or benefit of this Settlement and you will **give up your right to sue** Plumber on these claims later. Therefore, if the Court approves this Settlement and you choose not to accept it, or you do not timely take the steps required to claim the benefits of the Settlement, you will have **no** further rights against Plumber.

THE LAWYERS WHO REPRESENT THE CLASS AND WHO NEGOTIATED THIS SETTLEMENT

17. Do I have a lawyer in this lawsuit?

When the Court first created a class action on October 16, 2006, it appointed the following attorneys to represent all members of the Class, which includes the owners of Sharp-Plumbed Homes. Together, these attorneys are called Class Counsel. ***You will not be individually charged for these lawyers.*** The names and addresses of Class Counsel are as follows:

J. Randall Jones & William L. Coulthard
Kemp, Jones & Coulthard, LLP
Wells Fargo Tower, 17th Floor
3800 Howard Hughes Parkway
Las Vegas, NV 89169

Francis Lynch, Charles Hopper, & Sergio Salzano
Lynch, Hopper & Salzano, LLP
231 South Third Street, #130
Las Vegas, NV 89101

18. How will these attorneys be paid?

Class Counsel negotiated with Plumber to be paid 25% of this Settlement as their fee and cost reimbursement as part of this Settlement. This fee **will not** reduce the amount ultimately dedicated to fund the replumb of the Sharp-Plumbed Homes. This fee does not include any fees previously awarded to Class Counsel by way of the IpeX Settlement or in conjunction with any other settlement or partial settlement in this action. These fees are contingent upon District Court approval during the Fairness Hearing.

The Court's Fairness Hearing

19. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing on **DECEMBER 15, 2009, at 10:30 a.m.** At this hearing, the Court will consider whether the Settlement is fair and adequate. If there are objections, the Court will consider them at that time. The Court will also listen to people who have asked to speak at the hearing. After the hearing, the Court will decide whether to approve the Settlement. During this hearing, the Court will also consider any objection to the amount of attorney's fees and expenses.

The Fairness Hearing will be held at:

Regional Justice Center
Courtroom 12D (12th Floor/Department 16)
200 Lewis Avenue
Las Vegas, Nevada 89101

20. Do I have to come to the Fairness Hearing?

No, you are not required to come to the Fairness Hearing if you have no objection to the Settlement. But you are welcome to come if you wish to. If you send an objection, you are not required to attend the hearing to talk about it. As long as you mailed your written objection to the Court on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not required.

21. May I speak at the hearing?

You will be allowed to speak at the hearing by sending a Notice of Appearance (described above within Question 16) to the Court that states you wish to appear at the Fairness Hearing and speak.

Getting More Information

22. Where can I receive more information about this Settlement?

This Notice summarizes the Settlement below. More details are in the Settlement Agreement itself or motion for approval, which you may obtain by contacting Class Counsel at the addresses listed above. You can also review and copy legal documents in this class action during regular office hours at the office of the District Court Clerk's Office, Clark County Regional Justice Center, 3rd Floor, 200 Lewis Avenue, Las Vegas, NV, 89101.

SUMMARY OF SETTLEMENT AGREEMENT

Your Review of the Settlement Agreement. The Settlement Agreement is described in general terms below. **This is only a summary of the Settlement Agreement; it has no legal impact upon the terms as provided in the parties' actual agreement, which control.** You may also review, in consultation with such advisors, such as your attorney, as you deem appropriate, the settlement agreement and accompanying documents for a full explanation of the settlement in order to familiarize yourself with the precise terms of the settlement and to determine the effect on you of the settlement. You may obtain a copy of the settlement agreement or other documents memorializing the agreement by making a written request to class counsel at the addresses provided in question 17 above.

1. Creation of Qualified Settlement Fund. A fund or funds will be established in accordance with Section 468B of the Internal Revenue Code of 1986, as amended, and the Regulations thereunder, as a vehicle for holding the funds to be paid by Plumber and/or its insurers in settlement of the claims of the owners of the Sharp-Plumbed Homes (the "Qualified Settlement Fund"). Subject to the terms of the Settlement Agreement, Plumber and/or its insurers will pay a total sum of **\$6,434,593.33** to the Qualified Settlement Fund for the benefit of the owners of the Sharp-Plumbed Homes within 90 days following notice of entry of the Court's Order granting preliminary approval of this Partial Settlement.

2. Use of the Qualified Settlement Fund. Upon Plumber's funding of the Qualified Settlement Fund, Class Counsel's court-approved fees and costs will be paid from the Qualified Settlement Fund to Class Counsel. The remaining Settlement sums will then be combined with any other money recovered for the owners of the Sharp-Plumbed Homes via settlement or otherwise with the goal and intention of funding full replumbs of the Sharp-Plumbed Homes. Those funds will be generally segregated or dedicated to three purposes: a) the Replumbing Fund (to fund the standard costs associated with the replacement of the plumbing systems in the Sharp-Plumbed Homes); b) the Contingency Fund (to cover the unforeseen costs arising from or in any way related to the Replacement Plumbing which includes, by way of illustration and example only, costs of faux paint, wallpaper, ceramic tile, or other custom finishes, any other design, engineering, construction, repairs, replacement, or inspection necessitated, and the cost of emergency repairs necessitated by leaks, breaks or failures within the Kitec plumbing fittings that may occur before the Replacement Plumbing has been, or can be, completed in the normal course); and c) the Claims Administration Fund equal to \$200 dollars multiplied by the total number of homes eligible for Replacement Plumbing, which will be set aside for payment to the Claims Administrator for its services to the Class under this Settlement. Thus, **THIS SETTLEMENT CONTEMPLATES THAT THE ONLY AVAILABLE REMEDY TO THE CLASS MEMBERS IS TO RECEIVE THE REPLACEMENT PLUMBING WITH APPLICABLE WARRANTIES – NOT A MONETARY PAYMENT**, except in those limited circumstances provided for in Section C below.

A. Replumbs. The Replacement Plumbing, if any, provided by this Settlement will generally consist of the following: (a) a plumbing contractor approved by the Court-selected Claims Administrator will drain and remove (or abandon in place, in part or in whole, as permitted by the homeowner) the existing Kitec Plumbing Systems at the Sharp-Plumbed Homes; (b) the Approved Plumbing Contractor will furnish and install a complete, fully functional, and entirely new domestic water supply system at the Sharp-Plumbed Homes consisting of CPVC, PEX with C314 Fittings, or other Claims Administrator approved system; (c) the Approved Plumbing Contractor will repair or replace any loss, damage or injury to the home and other property in or on the home to include, by way of illustration and example only, gypsum wallboard, textures, paints, floor coverings, cabinetry, millwork and/or stucco, arising from or in any way related to their Replacement Plumbing; and (d) the Approved Plumbing Contractor will obtain all necessary permits and licenses for the completion of the Replacement Plumbing. Should any Class Member refuse to allow the Approved Plumbing Contractor(s) to complete the Replacement Plumbing, that Class Member will **NOT** be entitled to any other or any further relief of any time or nature from Plumber or from the Claims Administrator. However, it is the intent of the Parties that Plumber will be entitled to a full and complete release of the Settled Claims, regardless of whether Replacement Plumbing at all of the Sharp-Plumbed Homes is completed.

B. Warranty. Replacement Plumbing and all other Work performed, including the issuance of a warranty for the Replacement Plumbing and Work, at a Sharp-Plumbed Home under the Settlement Agreement will be accomplished at the direction of the Claims Administrator. Neither Plumber, Class Counsel, nor the Claims Administrator guarantee nor warrant the workmanship and/or materials of any person, contractor (including the Approved Plumbing Contractor), supplier or manufacturer performing such Replacement Plumbing and/or Work. Each of the Class Members will look solely to the guarantees and warranties, if any, provided by the contractors (including the Approved Plumbing Contractors), suppliers and/or manufacturers as the sole and exclusive guarantors and/or warrantors for the Replacement Plumbing and/or other work provided under or as a result of the Settlement Agreement.

C. Reimbursements. In the limited circumstance where the owner of a Sharp-Plumbed Home or his agent or representative has, prior to the Formal Fairness Hearing, replaced the original Kitec Plumbing System with an alternative and approved system (to be administered and subject to the approval of the Claims Administrator), or has incurred monetary damages caused by a failure of the Kitec Plumbing System, then that homeowner may be entitled to either: a) Replacement Plumbing; or b) reimbursement of the amount equal to their pro rata share of the Settlement. **IN NO EVENT WILL A CLASS MEMBER BE ENTITLED TO RECEIVE REPLACEMENT PLUMBING AND A REIMBURSEMENT FOR A PRIOR REPLUMB.** If funds remain after all Sharp-Plumbed Home repairs are performed and all contingency costs are paid, then the Claims Administrator may further reimburse qualifying Class Members who have incurred and can demonstrate monetary damages that exceed the amount of the initial pro-rata distribution from the Settlement. To qualify for a reimbursement, the homeowner must submit a claim form ("Claim Form") to the Claims Administrator and the Claims Administrator will review the merits of the Claim Form and provide a response within 60 days of receipt of the Claim Form. The Claim Form will be mailed to each owner of a Sharp-Plumbed Home following the Final Fairness Hearing.

3. Dismissal of Claims Against Plumber. Within five (5) days after notice of entry of a Final Order by the Court approving the Settlement as fair, adequate, reasonable, and in the best interests of the Class in accordance with Rule 23(e) of the Nevada Rules of Civil Procedure, and only after full payment by Plumber of the Settlement Funds to the Qualified Settlement Fund, and assuming that there have been no timely appeals of the Final Order, all of the claims against Plumber relating to the Sharp-Plumbed Homes will be dismissed with prejudice.

4. Releases. As a result of the Settlement and following Final Approval, the owners of the Sharp-Plumbed Homes will be deemed to have fully and finally released, acquitted, forever discharged, and absolved Plumber from any and all conceivable losses, damages or injuries arising from or in any way related to the Sharp-Plumbed Homes, including, without limitation, causes of action, claims, demands, damages, losses, costs or expenses, whether known or unknown, fixed or contingent, asserted or unasserted, foreseeable or unforeseeable, liquidated or unliquidated, unanticipated or unsuspected, which claims were asserted, or may be asserted in the future, that these class members have or may have against Plumber arising from or in any way related to the installation of the Kitec or PlumbBetter Plumbing Systems in the Sharp-Plumbed Homes, specifically excluding any claims for personal injury. The owners of the Sharp-Plumbed Homes reserve any claims, rights, or remedies against: 1) any non-Kitec or non-PlumbBetter claim regarding the Subclass Homes (as to Plumber); 2) any Class claim not specifically related to the Subclass Homes (as to Plumber); 3) any parties other than Plumber, specifically including but not limited to the builders of their Settlement Subclass Homes, except to the extent released by separate agreement and pursuant to a separate settlement with such builder; 4) any Approved Plumbing Contractor, material supplier, or any other third-party arising from or in any way related to the Work for the Replacement Plumbing; and 5) any personal injury claim. Additionally, the owners of the Sharp-Plumbed Homes recognize that they may have some claim, demand, or cause of action against the Plumber of which they are totally unaware and unsuspecting, which they are giving up by execution of the Settlement Agreement and that this Settlement Agreement will deprive them of each such claim, demand or cause of action and prevent them from asserting it against the Plumber. They further acknowledge that the facts upon which the Settlement Agreement is made may turn out to be other than, or different from, the facts now believed by the Class to be true, and the owners of the Sharp-Plumbed Homes therefore expressly assume the risk of the facts turning out to be different than they believed them to be and agree that the Settlement Agreement will in all respects be effective and not subject to termination or rescission because of any such mistaken belief.

5. Potential Risk to the Owners of the Sharp-Plumbed Homes. This Settlement is **NOT CONTINGENT** upon the outcome of the Ipex Settlement (\$90 Million settlement) appeal. Therefore, regardless of the outcome of the Ipex Settlement – and the related funding of the Ipex Settlement – this Settlement will remain in full force and effect. Therefore, the owners of the Sharp-Plumbed Homes bear the risk of failing to recover any funds from the manufacturer of the Kitec Plumbing systems. In the event the \$90 Million from the Ipex Settlement is not released to Class Counsel for the benefit of and use by the Class, then Class Counsel, on behalf of the Class, will make efforts to secure a renewed settlement with, or obtain a judgment against, IPEX in the Class Action. In the event Class Counsel secures a settlement with, or obtains a judgment against, IPEX relating to the Sharp-Plumbed Homes, Class Counsel will immediately fund the proportionate share (on a percentage basis of the recovery) of the funds recovered to the Qualified Settlement Fund for the benefit of the owners of the Sharp-Plumbed Homes.
